

Flying Tiger RC Club Of Jordan Lake

Instructor Volunteers

The following individuals are classified as advanced pilots. They may or may not be available to act as instructors. Please call for commitment. There is no charge for instruction. An appropriate trainer aircraft is required for the level you are training to. A high wing, tricycle gear trainer aircraft is required for basic flight instruction. If you have questions about the type of aircraft needed, please contact an instructor or one of the club officers prior to purchase.
